3. Project Reports
  - a. **Community Garden** – Garden has too much junk laying around, such as tools, hoses, rocks, etc. Walkways need to be better maintained. Mel would like to have an in-person meeting before the first planting in Spring. She would like to invite some speakers from CLC, the Botanic Gardens, or University of IL Extension. Scott looked into trees but he didn't find any marked down like last year. Suggested that we need to shop around or let people know what we're looking for.
  - b. **Earth Day EcoFair** – Amanda read an e-mail from AES school about not having custodians available for Easter weekend. Could possibly switch to another location such as St. Peter's school. Could do the weekend after Easter but would conflict with Lindenhurst. Could possibly co-host event with them? Need to confirm with Shawn on wording in newsletter.
4. Old Business
  - a. **SWALCO Proposal** – Merleanne was waiting on Jim to finalize paperwork and location/placement of bins. Need to follow up on.
