

We're Back at the Fall Wine Walk!

Saturday Sept 25th, 12 PM – 2 PM

Over the past few months, the Village has been working towards developing a Beautification Plan to create a vision for Downtown's streetscapes, open spaces, pedestrian areas, parking lots, and newly acquired Downtown property. The design team, led by The Lakota Group, has developed design concepts that will be shared with the community during the Summer Wine Walk on Saturday, September 25th from 12 noon to 2 pm.

Stop by our tent and share your thoughts on the design concepts proposed! Take part in the decision making process and make sure your voice is heard as we develop the preferred concepts for Antioch's Downtown.

To get a better understanding of what has been analyzed during this process, visit the project website below and make sure to take a look at the "State of Downtown Antioch" report. This report is an existing conditions assessment of Downtown Antioch and is meant to serve as the foundation for design development.

We hope to see you on Saturday!
